

Dear [Recipient's Name],

Congratulations on earning the rank of Eagle Scout! This extraordinary achievement reflects your dedication, perseverance, and commitment to the ideals of Scouting. You are joining a select group of Scouts who have obtained this rank over our 115-year history. It is a distinction that only a select few attain, and it marks you as a leader who is prepared to make a difference in the world.

The journey you have been on is one of challenge and growth. You have demonstrated leadership, service, perseverance and a steadfast commitment to the Scout Oath and Scout Law. These values will continue to guide you in all that you do, opening doors of opportunity and setting you apart as someone who leads with character, integrity, and purpose.

Since the beginning of the Scouting movement in our country, the President of the United States has also served as our Honorary Chair, and his signature is featured on the Eagle Scout certificate and wallet card. Along with his other important duties, it frequently takes time to get a new President's official approval and signature. Your official Eagle Scout certificate and wallet card will be mailed to you soon. This should in no way delay any plans you have for your Court of Honor.

While the achievement of Eagle Scout is the culmination of years of challenging work, it is also the beginning of a lifelong commitment. As an Eagle Scout, you are now part of a legacy of service and leadership that spans generations. We encourage you to stay engaged with Scouting, mentor those who follow you, and continue making a positive impact on your community and the world.

Congratulations again on this incredible milestone!

Yours in Scouting,
